REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As the principal of Waccamaw Elementary School, an International Baccalaureate World School, I am elated by the progress and great accomplishments that our school continues to make to ensure student success. The faculty and staff continue to make strong efforts in their commitment to the school mission and goals by utilizing professional opportunities to enhance their knowledge base and experiences in research-based best practices, and rigorous assessments that will improve student learning and achievement.

We attribute our success in student learning achievements to high expectations, committed and dedicated teachers, ongoing collaborations, strong parental involvement, external resources and programs, high student and teacher attendance, and school/community relations.

As we embark upon another school year, the mission of this International Baccalaureate World School is to provide a developmentally appropriate curriculum in a safe and supportive environment in order to help children become inquiring, knowledgeable, and caring citizens who help to create a more peaceful world through intercultural understanding and respect.

We are appreciative of our stakeholders for their willingness to support our shared vision in helping to meet the needs of the students, teachers, and the school. They play a vital role in the school community by supporting us as school business partners, community outreach agents, involved PTA, School Improvement Council, and volunteers.

The ongoing support and dedication received from the entire Waccamaw family goes beyond measure. It is an indication of total commitment to children.

Vervatine A. Reid, Principal  
Darryel Carr, Chairman of School Improvement Council
